Term 1 Week 6

6th March, 2018

Principals Report

What a great start to the year we have had with everyone settled and focused on their learning. Please come and join us this Thursday at 2.30pm (8th March), for our first **whole school assembly** of the year and catch up on what's been happening in our classrooms. There will also be a special presentation to our Year 6 students, who are also our 2018 school leaders.

Hooray for Clean –Up Australia Day

Important

Due to safety concerns parents are reminded to:

Please **DO NOT** park in the school bus zone between 3.00pm and 4.00pm of an afternoon as bus arrival times has been varying and children cannot board the bus safely (and will not be permitted to get on the bus) when it is parked in other zones.

REVERSE PARK in the parking area in front of the Office building. Reverse parking allows drivers to see any pedestrians, particularly children that may be walking past to other vehicles.

Please come into the school grounds to pick up your child. Children will no longer be permitted to leave the school grounds to go to parents waiting outside the gate or in cars.

Tomorrow The **Gadget Van** will be visiting the school again. Students K-6 will be learning about and actively involved in robotic challenges. The school is covering the total cost of this day and we excited to see what Ben will have to engage us all.

Thank you to all the Students and Teachers that participated in **Clean-Up Australia Day**. The task was executed with lots of energy and fun! We are happy to report our surrounds are now even more beautiful than before. Well done everyone.

On Friday afternoon there will be a performance of **Circus skills** (no animals or clowns...just clowning around). This will be followed by a workshop featuring juggling and other skills. Families are asked to contribute \$5 per child and invoices have already been sent out.

Congratulations to the Year 3-6 Students who participated in the **MILO Blast T20 Cricket** day held in Eden last Thursday. I loved hearing about the great time they had and their enthusiasm to "have –a –go".

Unfortunately, I will away a number of days in the next few weeks attending meetings and conferences. However I have endeavoured to cover most of these days with Mr Roberts or Mrs Reeve for consistency in the classroom.

Heather Bell
Relieving Principal

School Matters

School Photos

Monday 19 March the School Photographer will visit. Each child will have their own 'Order Envelope'. If you wish to order photographs of your child please return this envelope with your Photo Package selection, and correct payment enclosed.

If you have siblings at school and wish to have their photographs taken together, send your children to the school office to collect a 'Siblings' envelope.

Envelopes should be returned no later than 'Photo Day'. Cash payments cannot be accepted after Photo Day.

If you have any questions please contact Alan in the School Office.

On Photo Day please ensure your child is in school uniform and hair is tidy.

Important Funding Information

If you have any questions about the attached Funding Information letter please call Mrs Bell for clarification. Your personal information will not be used for any other purpose other than determining appropriate funding for your children.

We still have a few outstanding **Local Excursion Permission Note for 2018**. Please return them as soon as possible.

The **Stephanie Alexander Kitchen Garden Program (SAKGP)** continues Thursday 12:00 - 1:30pm. Come along and join in the fun!
