Principals Report

What a fortnight! From the highs of drone flying and circus skills to being deeply saddened by the devastating fires in the Tathra area and the huge impact on friends and work colleagues, thinking of them all.

It was uplifting to see the engagement, co-operation and teamwork that occurred when students were participating in a drone workshop. A wonderful example of what learning is all about. This visit ties in with both the technology and engineering parts of our new STEAM syllabus highlighting Science, Technology, Engineering, Arts and Maths.

We also participated in a Circus Skills workshop presented by Circus Challenge just a few days after our visit from The Games and Gadget Man. The students absolutely loved the challenges put before them—undertaking each one with energy and enthusiasm. Fantastic exercises for gross motor skills, co-ordination, concentration and control.

This Thursday Towamba School will be visiting Wyndham PS to participate in the Life Education program with our children. Students will undertake a variety of activities on the day as well as their session in the Life Education Van. This day is not only for our students to learn healthy life-style skills and values, but also to share time with Towamba students, whilst allowing staff to gather and discuss ideas.

There will be no Stephanie Alexander Kitchen Garden Program operating this week.

A great day with the Gadget Man!

Next Thursday 29 March we will be holding an Easter Celebration Day which will include Easter Hat construction, Easter art activities, a Easter Hat Parade and Easter Egg Hunt. Our dedicated P&C team will be providing a BBQ Sausage sandwich, desert and juice for just \$5. This will be followed by games in the afternoon. A program for the day will be sent home closer to the event.

School Photos took place yesterday. If you wish to order photos after the event please speak to Alan in the office and he can provide details to contact the photography company.

It is timely to reinforce, with the Prime Minister's letter to all Schools this week 'To Make Bullying History', that Wyndham Public School will in no way tolerate bullying. We aim to provide a safe and friendly environment for all students and strive to encourage acceptance and harmony in our school.

Relieving Principal

School Matters

Wyndham Public School 150th Anniversary Celebrations. Planning is underway! If you would like to be a part of this significant event please contact the school. We are looking for lots of local participation to ensure the many visitors travelling from all parts of Australia are shown a great time full of Wyndham hospitality. C'mon—join in, in this very special event!

Notes, Notes, Notes...

Thank you to parents for keeping up with all the notes coming home. There are still a few Local Excursion notes, Funding notes and Life Education (Healthy Harold) permission notes to come in. If you need another copy of a note, give the office a call and we will be happy to send it home.

P&C News

Easter Raffle: Thanks for those that have donated but we still would like more donations if anyone else has gifts to donate.

Don't forget raffle tickets need to be back by Wednesday 28th March, also if you would like more tickets just let me know.

Thursday 29th which is **Easter Celebration Day.** The P&C will be having a sausage sizzle, for \$5.00 your child will get a sausage in bread, fruit box and a piece of cake.
