Term 1 Week 10

4th April, 2018

Principals Report

I recently attended an inspiring **STEM conference** in Queanbeyan where we looked at STEM (Science, Technology, Engineering & Mathematics) and Project Based Learning (PBL). The second day was spent planning a project to implement in our schools, supported by the Rural & Remote STEM \$6000 grant. Stay tuned as more information will be forthcoming early next term.

It was good to see lots of parents attend our annual **Easter Celebrations**. They witnessed children working diligently combining art and craft skills with lots of creativity and a dash of flamboyance to produce their Easter hats. They then proudly paraded them along the catwalk to the cheers from on-lookers. Well done! Our dedicated P&C team provided lunch for all for a modest cost, thank you to the P&C. A gallery of photos from the day can be viewed on the School website.

An end of term **Whole School Assembly** will be held on Thursday 12th April in the adjoined Classrooms. Parents are encouraged to attend the Assembly which will include Student Award presentations. Assembly will commence after an early recess from 1.30pm, followed by the School Cross Country.

We are going to support **Stewart House** this year by having a mufti day on the last day of term. Envelopes will come home with the newsletter today. Please enclose your donation and return the envelope to school before the end of term.

ANZAC Day. Wyndham students will attend two Services this year. We will have representatives read passages at the Service by the Town Cenotaph on Wednesday 25 April. All students are invited to this im-

Year 6 Boys embracing the Easter Celebrations fun.

portant event, please wear your school uniform. We will also hold a **School Service** on Thursday 3 May, the first Wednesday after we return from school holidays.

Goodbye to the Wright Family. Our school is greatly saddened to lose one of our long standing families from our school and the Wyndham community, as the Wrights embark on a new adventure, moving to New Zealand. Next Friday will be the last day for Noah and Jacob Wright at Wyndham Public School. The Wright family have been part of our school for a very long time with nine of their children having attended, or are currently attending Wyndham Public School. Mandy and Matthew have been great supporters of the school, from being involved in the P&C, providing transport for their children and others when needed, to making school library bags and our school flag. We are excited for you all but sad to see you go.

A SCLC **Music Camp** is planned for Week 5 next term. If any Year 4, 5, 6 children with musical experience, are interested please let me know asap.

This is the **last Newsletter for Term 1**, and I know I will see most parents before the holidays start at the end of next week, I would like to thank you all for your ongoing support and wish you all a safe and enjoyable break. I look forward to seeing all students back to school on Tuesday 1 May.

Heather Bell -Relieving Principal

School Matters

Wyndham Public School 150th Anniversary Celebrations - Saturday July 7. The date is set and as stated in the last newsletter planning is underway. A link has been added to the School's facebook page, jump on and read the posts. If you would like to be a part of this significant event please contact the school. We are looking for lots of local participation, you may not be around for the next one!

Asthma. With cooler mornings quickly approaching I would like to remind parents of the importance of ensuring their child carries their Asthma Puffer with them to school each day. If your child has experienced asthma symptoms in the past please ensure they have a puffer with them at all times - and know how to use it.

BookClub orders have arrived, and are coming home today. Late orders will arrive soon. BookClub purchases can be made conveniently by Credit or Debit card over the phone or on-line.

Sport: The Swimming season is over and next item on the agenda is **Cross Country**. Training began this week for our school event being held on Thursday 12 April. Parent assistance will be required to marshall students around the course. The race will start after Assembly at approximately 2:15pm

P&C News
