Principals Report

Dear Parents and Carers,

Movie Making Workshop

It was wonderful last Thursday, to host a Small Schools Movie Making workshop. Both staff and students had a great day learning about techniques used in film making and it was great to hear lots of fantastic feedback about our wonderful little school and see students from all schools learning and playing together.

The moviemaking workshop was a huge hit!

SAKGP

Thank you to the new parents who were able to come and help out with our kitchen garden program last fortnight. We all loved having you and appreciate your hard work in the kitchen and the garden. We look forward to seeing everyone again this Thursday for another session, 12.00 - 1pm, in the kitchen and garden.

Regional Cross Country

We wish Shyann the best of luck as she travels to Nowra this Friday to compete in the Regional Cross Country. We are very proud of you Shyann and know that you will do your best.

Work Experience Student

Next week, we welcome Grace Wheeler, a Year 10 Eden Marine High student, back to Wyndham PS for work experience. Grace will be working most of her time in the K-2 classroom.

Whole School Assembly

We will be holding a Whole School Assembly this Thursday 2.15pm in the 3-6 classroom. Everyone is welcome to join us.

Community Concert

Wyndham Students participated in the Wyndham Community Concert. They performed a dance and sang 'Hit the Road Jack'. The Uniting Church was packed and everyone had a great afternoon.

Connecting Country Schools

Our School is part of the next group of schools in the Connecting Country Schools project to upgrade wireless internet connectivity in over 900 regional and remote schools. This upgrade will deliver an enhanced technology experience to better enable learning and teaching at our school.

School Matters

Basketball each Friday

Due to a successful grant application the School has secured funds to provide a basketball coach to visit for an hour each Friday morning for 5 weeks. With 3 weeks to go the children are enjoying it immensely. We may also be able to afford repainting or renewing the backboards at each end of the basketball court.

Athletics skills for School Sport

Students will begin Athletics Skills practice for sport, in anticipation of putting in some personal best performances in the upcoming Athletics Carnivals.

Small Schools Athletics Carnival

Candelo Public School will host all small schools for the combined Far South Coast Small Schools Athletics Carnival this year. It will be held on Friday 29 June. All children will participate in this enjoyable day. We will provide more information as this event comes closer. Goooooooooooo Wyndham!
