Principals Report

Dear Parents and Carers,

Anniversary Preparation

Our 150th Centenary celebrations are rapidly approaching with lots of planning going on. We are now getting to the point of asking people to commit to some hands on assistance, we cannot do it without your help. Please contact the school to let us know your availability to help out with preparations and/or on the day.

School Working Bee

A school working bee is being organised for **10am Saturday 23 June**. We have a few jobs that require doing before our big Open Day in July. We will be lifting and relaying a small number of pavers that have lifted under the pine tree, covering areas under the tree with mulch and working on school gardens. Come along and lend a hand for a couple of hours or whatever time you can spare would be greatly appreciated.

Sending sick children to school

We have had a few children that have been unwell at school last week. If your child has been unwell overnight or is unwell in the morning please consider not sending your child to school for their benefit and the benefit of other students.

It has also been brought to our atten-

K-2 sharing their enthusiasm with Grace, as she participated in her work experience this week.

tion that there is head lice within the School. Please check your child's hair and treat appropriately.

Congratulations for Shyann

Congratulations to Shyann who travelled to Nowra for the Regional Schools Cross Country. She placed an admirable 58th out of 77 runners. Well done Shyann!

Work experience

Last week we have had Eden Marine High student and ex-Wyndham PS student Grace Wheeler join us for her work experience. Grace spent time with Mr Reeve and the K-2 Class. Grace got to experience many aspects of being a teacher—including some caring nurse work on the side!

School Matters

SAKGP

We look forward to seeing everyone again this Thursday for another session, 12.00 -1-30pm, in the kitchen and garden.

New sails over the play equipment.

We have taken the measurements and placed the order to ensure we have our new colourful shade sails installed for the 150th Anniversary. We are very excited at how fantastic and vibrant the play area will be all while protecting our students from the hot summer sun—even if that appears to be a long way off at this stage.

Basketball each Friday

There were some sad faces last Friday as basketball had to be postponed due to wet weather. We hope to have Rhys (our Coach) visit for the next two Fridays for the children to practice their dribbling, passing and shooting goals!

Small Schools Athletics Carnival

Candelo Public School will host the FSC Small Schools Athletics Carnival this year on Friday 29 June. All children will participate in this enjoyable day. Parent transport is required. Permission notes come home Friday this week.

Dinner Dance tickets are selling! Get in fast if you want your seat for the biggest event in Wyndham for a very long time!

Thank you to all involved for your ideas, suggestions and work thus far, but as the day approached we realise we need more parents and community members to ensure our day is a success. There is a basket in the foyer at School for donations towards the Raffle. Any gifts for the raffle or small items for the lucky jars can be left in this basket at school.
