## Dream~Believe~Achieve

Term 3 Week 9

18th September, 2018

**Thanks for joining us this term Mr Lane. We sure will miss your stories!**

Dear Parents and Carers,

### Student late arrival/early leaving procedures

At times students will arrive late to school or be collected early during the school day. It is important that Alan in the front office is aware of who is in school to ensure everyone is accounted for in the case of an evacuation or emergency. For this reason, we ask that if your child is late or you collect your child early, you pass through the front office so this can be recorded. Alan will give you a slip that you or your child can hand to the class teacher. On Thursdays, when Alan is not here, please collect and fill out the slip at the front office and hand this to the class teacher.

If you have any questions about this process, please see myself or Alan. We appreciate your support!

### Kindergarten Orientation

Mr Reeve is excited to announce he will be holding four transition sessions next term, for our Kindergarten Class of 2019. The sessions will be held on:

- ◆ Tuesday 23rd October 9:15am – 11:15am
- ◆ Tuesday 30th October 9:15am – 11:15am
- ◆ Tuesday 6th November 9:15am – 2:00pm
- ◆ Tuesday 13th November 9:15am – 2:00pm

We will also be incorporating a Parent Information Sessions on the first day. If you have a child ready for Kinder, or know of a family new to the area, please ask them to contact Alan at School for more information.

### Hats

With days growing warmer I would like to remind parents to ensure their child has a broad-brim at school. Children without hats may be asked to play under the cover of shade. 'No Hat, No Play'.

New hats can be purchased at school from the P&C for \$15.

### STEM

Year 3-6 are continuing their research into a fantastic playground in the school. So far we have researched shelters, ball runs, mini race tracks and features of the bike track. We used newspaper to make models of our shelter designs to see if they will work. The students have come up with lots of creative ideas already!

### Writing

Year 3-6 have been working on story writing in English where they have used adjectives and adverbs to add detail to their writing. They have all written some great descriptive sentences. Here is Jacob's opening to his story:

*'The paper was everywhere, and the floor covered in rubbish. I saw that the school had been destroyed! Feeling scared, I stood up and looked around the hallway and shattered windows. I hesitantly walked down the hall.'*

### News from the K-2 Classroom

In the K-2 class the last few weeks we have been extremely busy. In Writing we have been focusing on writing Procedures (making sure we include titles, materials needed and steps). One procedure we wrote and made was 'how to make fairy bread'. Parents can mention that recipes are similar to procedures. The Kindergarten students have been starting to write simple sentences making great attempts at unknown words.

In Maths we have continued to work on counting forwards and backwards to 200. We are improving our speed at recalling our addition to 20, while the Year 2 students are focusing on the counting pattern by 2's, 5's and 10's.

### Outstanding Student Invoices

Student accounts come home today. If you have any questions please don't hesitate to contact Alan.

### Whole School Assembly

There will be an assembly after SAKGP on Thursday 27th September (Week 10). Parents are encouraged to come to school to celebrate the achievements of all students. Assembly will start from 2:30pm.

### STEWART HOUSE

by Laycee

On the way to Stewart House it took me ten and a half hours to get there because we had to pick up kids all the way up from different schools we started at Pambula

then to Eden then Bega then other places.

At Stewart House every second day we went on an excursion some of the excursions were Taronga zoo, power house museum, Australian museum, walk the harbour bridge, Olympic swimming pool, and others.

Every day we didn't go out on an excursion we stayed in at school and did other fun things like make an autograph sheet, made a tote tray name tag, colour in a picture.

### FOOD

Every in day we had a lunch order we had a choice of different sandwiches I had curried egg and on our out days we had to choose what we wanted our teaches to put on our sandwiches I had ham cheese tomato and beetroot.

Every morning we had to walk up 600 stairs to go to breakfast, lunch, to school and to assembly

### TEACHERS

I had two teachers I had a boy teacher and a girl teacher Emma was the girl and Phil was the boy teacher. Phil was our proper teacher and Emma was just our helper slash teacher she was my favourite.

### SUPERVISORS

The first week till Friday we had two supervisors in our cabin their names were Vessna and Gen then on Saturday we had Vessna and Kelly then Sunday we had Julie and Linda then we had Julie and Linda for the rest of the week except Thursday night we had Julie and Kelly.

**Richard Lane, Relieving Principal**

### P&C News:

The P&C will have a stall at the Motorfest in Pam-bula Sunday 30 September. There will be pick-a-jar and face painting. If you are able to assist the P&C please contact Stacey.

General Donations and  
Follow Your Box Labels

### Operation Christmas Child

Operation Christmas Child (OCC) is a project of Samaritan's Purse. It partners with local churches in developing nations to reach out to children by providing gift-filled shoeboxes for Christmas.

We are asking the Wyndham Community to donate small items—that would fit in a shoebox—to help children in the developing world. What can I donate? Something to wear; Something to play with; Something for school; Something to love; Something special; Something for personal hygiene.

Thank you for donations already received—but we could always do with a few more small items to help those in need.

## STEPHANIE KITCHEN ALEXANDER GARDEN FOUNDATION

*Growing Harvesting Preparing Sharing*

### SAKGP

A huge thank you to Jodie, Karen, Stacey and Amanda for their help in the Kitchen Garden Program during Week 7. What an amazing lunch that was served! Check out our new planter containers that arrived last week. They look fantastic. Thanks to the P&C for organising these. We are really looking forward to our final program day NOT this Thursday but next Thursday 27th. Come along and join us in the garden and kitchen between 12 and 1:30pm.

Connor &  
Macauley

### Aurora College

The virtual selective school for rural and remote students

Aurora College is NSW's first virtual selective school, offering a mix of online and residential school classes. The school provides innovative, flexible learning in a whole new context, by allowing students to connect locally and learn globally.

Aurora offers selective classes in English, mathematics and science to gifted and talented Year 7-10 students from rural and remote areas across NSW. Students connect with their teachers and classmates in timetabled lessons through a virtual learning environment.

The college also gives Year 11 and 12 students the opportunity to study subjects not available in their own school. For details please visit our website.

Aurora College offers students expanded career options through innovative partnerships with businesses and with scientific, cultural and tertiary education institutions.

Students in the selective stream are chosen in the same way as students in all other selective classes in NSW government schools.

Applications for entry into Year 7 in 2020:  
Open 9<sup>th</sup> October 2018  
Close 12<sup>th</sup> November 2018

Visit Selective High Schools website
