## Dream~Believe~Achieve

Term 2 Week 4

21st May, 2019

**We are all spreading the kindness and doing it for Dolly!**

### Principals Report

Congratulations to those students that competed in the Zone Cross Country held at Wolumla last Friday, it was wonderful to hear that everyone was willing to have a go and try their best. It was also obvious to see how much the younger students enjoyed their AFL skills Day by all the smiles in the photos. Well done everyone!

A huge thank you to the P&C for running the BBQ and Cake Stall and everyone that contributed and assisted in some way, at the Polling Booth on Saturday. Money raised from this event totalled \$280.

### NAPLAN Online

NAPLAN assessments were completed by most students last week. We were fortunate that the majority of our online testing was completed without issues, and despite a couple of technical hitches during the Year 5 Writing test all tests were successfully completed.

### Sporting Schools Program

We were again successful in applying for a Sporting Schools grant which is funding a weekly gymnastics program. The Program is delivered each Thursday by a qualified coach. The last week, Thursday 27th June we will travel to the Gym at Pambula to enjoy the full facilities available. Parent transport will be required.

### Athletics Carnival

With our Small Schools Athletic Carnival coming up in Week 9, this term we will be practicing athletic skills over the coming weeks. If anyone has any expertise or skill, particularly in field events, or knows of someone who could assist with developing student's skills, please contact the school as soon as possible.

**Stewart House Donation Drive** envelopes must be returned tomorrow. Please include a \$2 donation to be in the draw for a \$4000 family holiday.

### Whole School Assembly

We invite parents and grandparents to join us in celebrating students academic achievements on Friday 31st May from 2.15pm. Assembly follows recess and the **students' performance at the Uniting Church from 1:00pm**

### Zoomobile and Bournda Programs

We look forward to a visit from the Taronga Zoomobile next week. There will be native animal education and plenty of 'hands-on' experience for those inclined. Please return notes and payment for our Zoomobile experience as soon as possible.

### Life Education

Wednesday 12th June we travel to Towamba PS to see our good friend Healthy Harold. It is always good to catch up and learn some valuable life lessons. More

details to follow soon.

**Woolworths Earn and Learn** has begun! Start collecting your stickers and pop them into the collection boxes at Tura Beach and Merimbula Woolworths Grocery stores. All stickers will

be redeemed for fabulous learning resources for all students.

### Student Health

We are already seeing the effect of colds and flus on our students. With News reports reflecting a particularly harsh case of flu this year, we ask that parents keep children at home to reduce the risk of spreading germs.

For Government guidelines with 'Too Sick for School' visit the following link

<https://education.nsw.gov.au/public-schools/practical-help-for-parents-and-carers/family-wellbeing/health/too-sick-to-go-to-school>

### SAKG Program

What can we expect from the Garden to the Kitchen this week? All students look forward to the activities encouraged by the Stephanie Alexander program. If you would like to join us in coming weeks please let us know. We meet every second Thursday from 12:00 till 1:30pm.

Thank You

Heather Bell—Relieving Principal

### P&C News

Thank you to P&C Committee and members of the community who pitched in on the weekend by baking tasty cakes and slices for sale at the Election Polling Booths. A big thank you to Leasa Holzenhauser for organizing the BBQ, and all the helper that kept it going all morning. The Bacon and Egg Rolls were a hit! Funds raised will go towards helping **every** student in the school!

Please see attached Minutes from the last P&C Meeting.

### Library News

Tomorrow is National Simultaneous Storytime! Everyone will join Tracy for this HUGE event as all of Australia reads this year's featured picture book - the hilarious **Alpacas with Maracas** by author Matt Cosgrove.

**Library Day** will be with Tracy on Tuesday for K-2 and Wednesday Y3-6 this year. Children are able to borrow books during the last session of the day.

### Do it for Dolly

Wyndham Public School were united last Friday 17th May, spending quality time focusing on Anti Cyber Bullying. The main aim was to support the **"Do It For Dolly Foundation"**.

Children were encouraged to arrive dressed in Dolly's favourite clothes, jeans boots and a check shirt.

As a whole school we discussed different types of bullying eg; being the victim, or being a witness, positive reactions and encouraging personal resilience.

The children enjoyed the activities, especially the roleplaying. Small groups were encouraged to show different scenarios and possible resolutions to the problem.

Thank you for the gold coin donation toward the Foundation. We raised \$43.00

Another successful day at Wyndham.

Mrs Reeve

**Class K-1-2 News**

We were lucky enough to have students participate in the AFL Gala Day in Merimbula, showcasing their skills.

In class our K-2 students have been working extremely hard the last few weeks. Kindergarten students are continuing to learn the sounds the letters make, and words that start with those sounds. Kindergarten students have been encouraged to write, trying to sound out unknown words. Year 1 and 2 students have been writing procedures (including the title, materials needed and method) the last 2 weeks. We have been extremely lucky to have Ms Charlton's support in the K-2 room twice a week working with us.

It's great to see students continuing to read their take home readers.

Mr Reeve.

Harlow  
Krystal

**Class 3-6 News**

Our class have been working hard over the last couple of weeks particularly on our spelling and maths.

In spelling we have been looking at the graphemes that make the 'o' as in orange and watch, learning about rules for adding ed and ing to words and suffixes. In Maths Years 3 & 4 are focusing on multiplication and factors and Year 5 & 6 are looking at reading and interpreting data and creating graphs using data.

We have two students attending the SCLC Music Camp this week, Shyann and Jasmin. I know they are having an amazing time and I'm looking forward to the SCLC Music Camp concert Thursday night, which is the culmination of the 4 days of camp. Mrs Bell.
