Wyndham Public School Newsletter

Dream~Believe~Achieve

Term 2 Week 8

17th June, 2019

Students from Wyndham and Towamba Public Schools welcome Healthy Harold

Principals Report

Thank you to the parents who assisted with transportation to Towamba last Wednesday for the Life Education program, despite being a little cold, we had a fantastic day. Towamba staff and students made us feel very welcome and we look forward to being able to host Towamba at Wyndham sometime soon.

School Reports

Our school reports for the first semester are almost complete and will be handed out in Week 10. Parents will be invited to participate in a 3 way interview with their child/children to be held in Week 2 next term. We encourage all parents to participate in this interview as a way of engaging with your child's learning and hearing from your child about their learning.

3D Printer arrival

We are excited to have again been successful in accessing a kit from the Departments STEM SHARE library. We will be receiving a 3D printer later this term and will have it until Week 8 next term. Kelly Burke, from the STEM SHARE Library will be in our school today to run a workshop, with our students, on how to create 3D digital designs with the software, Tinkercad. I look forward to seeing what our student's imagination can produce!

Staying warm this winter

Winter is well and truly upon us! Please make sure that your child is appropriately dressed for these cold mornings as we have children complaining of being cold because they arrive at school with no jumpers on. Yes, we are warm in the classrooms but we also spend time outside, in the cold!

We have also, been accumulating a mountain of jumpers that are being left behind by students! PLEASE ensure that your child's name is on their jumper so that it can be returned to the correct child! Please check the lost property bin for any missing jumpers as at the end of term any remaining jumpers will be washed and put into the second hand clothing to be sold.

Enrolments for 2020

With planning underway for next term we are interested in contacting parents regarding enrolments for next year. If you have a child ready for Kinder, or know of a family new to the area, please ask them to contact Alan at School for more information.

Eden Marine High School Open School

Parents and students are invited to attend EMHS Open School on 2nd July between 4:00-5:00pm. All welcome.

Visit to Pambula

The school will travel by bus and spend the day at Pambula on Thursday 27th June. We will first visit the Eden Area Gym as a special last session of our sporting schools gymnastics program. We will then take a short break for lunch before a guided tour of the Panboola Wetlands. Our Guide will point out and discuss the many species of bird life found in the wet lands. We are anticipating a great day. Sporting Schools grant will cover the majority of the bus hire. The remaining cost is \$6 per child (\$5 for the bus and \$1 for the Guide) The permission note is attached.

Athletics Carnival

The FSC Small Schools athletics carnival will be hosted by Wolumla Public School and held at the Wolumla Recreation Ground on Friday 28th June.

All children will participate in this event. Transport will be with parents. Students must be at Wolumla for a 9:15am start, with the day concluding approximately 2:30pm. A permission note is attached.

Bournda EEC Waste Challenge

Four Stage 2 students have been selected to take on the waste challenge at Bournda on Wednesday 26th June. Please return notes and participation fee by Wednesday 19th June.

Premier's Sporting Challenge

Last week all students commenced the Premier's Sporting Challenge. The challenge goes for 10 weeks and students are tracking the amount of physical activity they do each day. This information is recorded on an online chart and participants will receive a certificate at the end of the year.

Parent Survey

Thank you to parents that have already returned the survey form. Could parents please complete outstanding survey forms and return them as soon as possible. Your cooperation in this matter is greatly appreciated.

SAKG Program

Every student looks forward to the activities encouraged by the Stephanie Alexander program. If you would like to join us in coming weeks please let us know. We meet every second Thursday from 12:00 till 1:30pm.

Thank You, Heather Bell—Relieving Principal

P&C News

Congratulations to Damian and Eva—winners of the Wood Raffle. Thank you to everyone that participated! Nearly \$300 was raised for the students of Wyndham Public School.

Earn and Learn

Woolworths Earn and Learn continues! Pop your stickers into the collection boxes in the school office or at Tura Beach and Merimbula Woolworths Grocery stores. All stickers will be redeemed for fabulous learning resources for all students.

If you have some free time—we already have a large number of stickers that need to be attached to sticker sheets.

Library News

Library continues with Jo, while Tracy enjoys a well earned holiday! Library day is Tuesday for K-2 and Wednesday Y3-6 this year. Children are able to borrow books during the last session of the day.

Library and Literacy Hub

The Library will be open at lunch time on Mondays and Tuesdays to assist our budding novelists and poets.

Students are invited to bring in their writing from home or the classroom. Tracy and Jo will be on hand to help with editing and publishing their work.

Class K-1-2 News

In recent weeks the K-2 students have been checking if they have green thumbs. We have been growing grass heads (grass seeds and soil in a stocking) for about 2 weeks. Isla was the student who guessed the closest time it would take for the seeds to sprout, it took 11 days and Isla guessed 10 days. AMAZING WORK ISLA! They have begun to sprout, with Dane's producing the most sprouts at the moment.

For the rest of the term, K-2 students will be focusing on writing Informative Texts. Last week, we wrote an autobiography, this week we will be focusing on biographies, information pieces on animals (Week 9) and a newspaper article (Week 10).

In Maths, we are learning about patterns and mass (Week 8), 2D and 3D shapes (Week 9) and probability (Week 10).

Mr Reeve.

Class 3-6 News

As we are almost midway through the year, students have been undergoing some assessment tasks in reading and mathematics over the last couple weeks. Assessing is always ongoing to ensure all students are growing in their learning. We have been looking at the results and discussing what learning they need to consolidate and what they need to learn next. We have been using this information to write our learning goals for reading and maths.

In Maths we will be focussing on learning our times tables up to 10x for Years 3—4, and 12x for Years 5-6. We are also looking at different strategies for problem solving.

Mrs Bell

Dream~Believe~Achieve

Term 2 Week 8

17th June, 2019

Students from Wyndham and Towamba Public Schools welcome Healthy Harold

Principals Report

Thank you to the parents who assisted with transportation to Towamba last Wednesday for the Life Education program, despite being a little cold, we had a fantastic day. Towamba staff and students made us feel very welcome and we look forward to being able to host Towamba at Wyndham sometime soon.

School Reports

Our school reports for the first semester are almost complete and will be handed out in Week 10. Parents will be invited to participate in a 3 way interview with their child/children to be held in Week 2 next term. We encourage all parents to participate in this interview as a way of engaging with your child's learning and hearing from your child about their learning.

3D Printer arrival

We are excited to have again been successful in accessing a kit from the Departments STEM SHARE library. We will be receiving a 3D printer later this term and will have it until Week 8 next term. Kelly Burke, from the STEM SHARE Library will be in our school today to run a workshop, with our students, on how to create 3D digital designs with the software, Tinkercad. I look forward to seeing what our student's imagination can produce!

Staying warm this winter

Winter is well and truly upon us! Please make sure that your child is appropriately dressed for these cold mornings as we have children complaining of being cold because they arrive at school with no jumpers on. Yes, we are warm in the classrooms but we also spend time outside, in the cold!

We have also, been accumulating a mountain of jumpers that are being left behind by students! PLEASE ensure that your child's name is on their jumper so that it can be returned to the correct child! Please check the lost property bin for any missing jumpers as at the end of term any remaining jumpers will be washed and put into the second hand clothing to be sold.

Enrolments for 2020

With planning underway for next term we are interested in contacting parents regarding enrolments for next year. If you have a child ready for Kinder, or know of a family new to the area, please ask them to contact Alan at School for more information.

Eden Marine High School Open School

Parents and students are invited to attend EMHS Open School on 2nd July between 4:00-5:00pm. All welcome.

Visit to Pambula

The school will travel by bus and spend the day at Pambula on Thursday 27th June. We will first visit the Eden Area Gym as a special last session of our sporting schools gymnastics program. We will then take a short break for lunch before a guided tour of the Panboola Wetlands. Our Guide will point out and discuss the many species of bird life found in the wet lands. We are anticipating a great day. Sporting Schools grant will cover the majority of the bus hire. The remaining cost is \$6 per child (\$5 for the bus and \$1 for the Guide) The permission note is attached.

Athletics Carnival

The FSC Small Schools athletics carnival will be hosted by Wolumla Public School and held at the Wolumla Recreation Ground on Friday 28th June.

All children will participate in this event. Transport will be with parents. Students must be at Wolumla for a 9:15am start, with the day concluding approximately 2:30pm. A permission note is attached.

Bournda EEC Waste Challenge

Four Stage 2 students have been selected to take on the waste challenge at Bournda on Wednesday 26th June. Please return notes and participation fee by Wednesday 19th June.

Premier's Sporting Challenge

Last week all students commenced the Premier's Sporting Challenge. The challenge goes for 10 weeks and students are tracking the amount of physical activity they do each day. This information is recorded on an online chart and participants will receive a certificate at the end of the year.

Parent Survey

Thank you to parents that have already returned the survey form. Could parents please complete outstanding survey forms and return them as soon as possible. Your cooperation in this matter is greatly appreciated.

SAKG Program

Every student looks forward to the activities encouraged by the Stephanie Alexander program. If you would like to join us in coming weeks please let us know. We meet every second Thursday from 12:00 till 1:30pm.

Thank You, Heather Bell—Relieving Principal

P&C News

Congratulations to Damian and Eva—winners of the Wood Raffle. Thank you to everyone that participated! Nearly \$300 was raised for the students of Wyndham Public School.

Earn and Learn

Woolworths Earn and Learn continues! Pop your stickers into the collection boxes in the school office or at Tura Beach and Merimbula Woolworths Grocery stores. All stickers will be redeemed for fabulous learning resources for all students.

If you have some free time—we already have a large number of stickers that need to be attached to sticker sheets.

Library News

Library continues with Jo, while Tracy enjoys a well earned holiday! Library day is Tuesday for K-2 and Wednesday Y3-6 this year. Children are able to borrow books during the last session of the day.

Library and Literacy Hub

The Library will be open at lunch time on Mondays and Tuesdays to assist our budding novelists and poets.

Students are invited to bring in their writing from home or the classroom. Tracy and Jo will be on hand to help with editing and publishing their work.

Class K-1-2 News

In recent weeks the K-2 students have been checking if they have green thumbs. We have been growing grass heads (grass seeds and soil in a stocking) for about 2 weeks. Isla was the student who guessed the closest time it would take for the seeds to sprout, it took 11 days and Isla guessed 10 days. AMAZING WORK ISLA! They have begun to sprout, with Dane's producing the most sprouts at the moment.

For the rest of the term, K-2 students will be focusing on writing Informative Texts. Last week, we wrote an autobiography, this week we will be focusing on biographies, information pieces on animals (Week 9) and a newspaper article (Week 10).

In Maths, we are learning about patterns and mass (Week 8), 2D and 3D shapes (Week 9) and probability (Week 10).

Mr Reeve.

Class 3-6 News

As we are almost midway through the year, students have been undergoing some assessment tasks in reading and mathematics over the last couple weeks. Assessing is always ongoing to ensure all students are growing in their learning. We have been looking at the results and discussing what learning they need to consolidate and what they need to learn next. We have been using this information to write our learning goals for reading and maths.

In Maths we will be focussing on learning our times tables up to 10x for Years 3—4, and 12x for Years 5-6. We are also looking at different strategies for problem solving.

Mrs Bell

Dream~Believe~Achieve

Term 2 Week 8

17th June, 2019

Students from Wyndham and Towamba Public Schools welcome Healthy Harold

Principals Report

Thank you to the parents who assisted with transportation to Towamba last Wednesday for the Life Education program, despite being a little cold, we had a fantastic day. Towamba staff and students made us feel very welcome and we look forward to being able to host Towamba at Wyndham sometime soon.

School Reports

Our school reports for the first semester are almost complete and will be handed out in Week 10. Parents will be invited to participate in a 3 way interview with their child/children to be held in Week 2 next term. We encourage all parents to participate in this interview as a way of engaging with your child's learning and hearing from your child about their learning.

3D Printer arrival

We are excited to have again been successful in accessing a kit from the Departments STEM SHARE library. We will be receiving a 3D printer later this term and will have it until Week 8 next term. Kelly Burke, from the STEM SHARE Library will be in our school today to run a workshop, with our students, on how to create 3D digital designs with the software, Tinkercad. I look forward to seeing what our student's imagination can produce!

Staying warm this winter

Winter is well and truly upon us! Please make sure that your child is appropriately dressed for these cold mornings as we have children complaining of being cold because they arrive at school with no jumpers on. Yes, we are warm in the classrooms but we also spend time outside, in the cold!

We have also, been accumulating a mountain of jumpers that are being left behind by students! PLEASE ensure that your child's name is on their jumper so that it can be returned to the correct child! Please check the lost property bin for any missing jumpers as at the end of term any remaining jumpers will be washed and put into the second hand clothing to be sold.

Enrolments for 2020

With planning underway for next term we are interested in contacting parents regarding enrolments for next year. If you have a child ready for Kinder, or know of a family new to the area, please ask them to contact Alan at School for more information.

Eden Marine High School Open School

Parents and students are invited to attend EMHS Open School on 2nd July between 4:00-5:00pm. All welcome.

Visit to Pambula

The school will travel by bus and spend the day at Pambula on Thursday 27th June. We will first visit the Eden Area Gym as a special last session of our sporting schools gymnastics program. We will then take a short break for lunch before a guided tour of the Panboola Wetlands. Our Guide will point out and discuss the many species of bird life found in the wet lands. We are anticipating a great day. Sporting Schools grant will cover the majority of the bus hire. The remaining cost is \$6 per child (\$5 for the bus and \$1 for the Guide) The permission note is attached.

Athletics Carnival

The FSC Small Schools athletics carnival will be hosted by Wolumla Public School and held at the Wolumla Recreation Ground on Friday 28th June.

All children will participate in this event. Transport will be with parents. Students must be at Wolumla for a 9:15am start, with the day concluding approximately 2:30pm. A permission note is attached.

Bournda EEC Waste Challenge

Four Stage 2 students have been selected to take on the waste challenge at Bournda on Wednesday 26th June. Please return notes and participation fee by Wednesday 19th June.

Premier's Sporting Challenge

Last week all students commenced the Premier's Sporting Challenge. The challenge goes for 10 weeks and students are tracking the amount of physical activity they do each day. This information is recorded on an online chart and participants will receive a certificate at the end of the year.

Parent Survey

Thank you to parents that have already returned the survey form. Could parents please complete outstanding survey forms and return them as soon as possible. Your cooperation in this matter is greatly appreciated.

SAKG Program

Every student looks forward to the activities encouraged by the Stephanie Alexander program. If you would like to join us in coming weeks please let us know. We meet every second Thursday from 12:00 till 1:30pm.

Thank You, Heather Bell—Relieving Principal

P&C News

Congratulations to Damian and Eva—winners of the Wood Raffle. Thank you to everyone that participated! Nearly \$300 was raised for the students of Wyndham Public School.

Earn and Learn

Woolworths Earn and Learn continues! Pop your stickers into the collection boxes in the school office or at Tura Beach and Merimbula Woolworths Grocery stores. All stickers will be redeemed for fabulous learning resources for all students.

If you have some free time—we already have a large number of stickers that need to be attached to sticker sheets.

Library News

Library continues with Jo, while Tracy enjoys a well earned holiday! Library day is Tuesday for K-2 and Wednesday Y3-6 this year. Children are able to borrow books during the last session of the day.

Library and Literacy Hub

The Library will be open at lunch time on Mondays and Tuesdays to assist our budding novelists and poets.

Students are invited to bring in their writing from home or the classroom. Tracy and Jo will be on hand to help with editing and publishing their work.

Class K-1-2 News

In recent weeks the K-2 students have been checking if they have green thumbs. We have been growing grass heads (grass seeds and soil in a stocking) for about 2 weeks. Isla was the student who guessed the closest time it would take for the seeds to sprout, it took 11 days and Isla guessed 10 days. AMAZING WORK ISLA! They have begun to sprout, with Dane's producing the most sprouts at the moment.

For the rest of the term, K-2 students will be focusing on writing Informative Texts. Last week, we wrote an autobiography, this week we will be focusing on biographies, information pieces on animals (Week 9) and a newspaper article (Week 10).

In Maths, we are learning about patterns and mass (Week 8), 2D and 3D shapes (Week 9) and probability (Week 10).

Mr Reeve.

Class 3-6 News

As we are almost midway through the year, students have been undergoing some assessment tasks in reading and mathematics over the last couple weeks. Assessing is always ongoing to ensure all students are growing in their learning. We have been looking at the results and discussing what learning they need to consolidate and what they need to learn next. We have been using this information to write our learning goals for reading and maths.

In Maths we will be focussing on learning our times tables up to 10x for Years 3—4, and 12x for Years 5-6. We are also looking at different strategies for problem solving.

Mrs Bell

Thank you to the parents who assisted with transportation to Towamba last Wednesday for the Life Education program, despite being a little cold, we had a fantastic day. Towamba staff and students made us feel very welcome and we look forward to being able to host Towamba at Wyndham sometime soon.

School Reports

Our school reports for the first semester are almost complete and will be handed out in Week 10. Parents will be invited to participate in a 3 way interview with their child/children to be held in Week 2 next term. We encourage all parents to participate in this interview as a way of engaging with your child's learning and hearing from your child about their learning.

3D Printer arrival

We are excited to have again been successful in accessing a kit from the Departments STEM SHARE library. We will be receiving a 3D printer later this term and will have it until Week 8 next term. Kelly Burke, from the STEM SHARE Library will be in our school today to run a workshop, with our students, on how to create 3D digital designs with the software, Tinkercad. I look forward to seeing what our student's imagination can produce!

Staying warm this winter

Winter is well and truly upon us! Please make sure that your child is appropriately dressed for these cold mornings as we have children complaining of being cold because they arrive at school with no jumpers on. Yes, we are warm in the classrooms but we also spend time outside, in the cold!

We have also, been accumulating a mountain of jumpers that are being left behind by students! PLEASE ensure that your child's name is on their jumper so that it can be returned to the correct child! Please check the lost property bin for any missing jumpers as at the end of term any remaining jumpers will be washed and put into the second hand clothing to be sold.

Enrolments for 2020

With planning underway for next term we are interested in contacting parents regarding enrolments for next year. If you have a child ready for Kinder, or know of a family new to the area, please ask them to contact Alan at School for more information.

Eden Marine High School Open School

Parents and students are invited to attend EMHS Open School on 2nd July between 4:00-5:00pm. All welcome.

Visit to Pambula

The school will travel by bus and spend the day at Pambula on Thursday 27th June. We will first visit the Eden Area Gym as a special last session of our sporting schools gymnastics program. We will then take a short break for lunch before a guided tour of the Panboola Wetlands. Our Guide will point out and discuss the many species of bird life found in the wet lands. We are anticipating a great day. Sporting Schools grant will cover the majority of the bus hire. The remaining cost is \$6 per child (\$5 for the bus and \$1 for the Guide) The permission note is attached.

Athletics Carnival

The FSC Small Schools athletics carnival will be hosted by Wolumla Public School and held at the Wolumla Recreation Ground on Friday 28th June.

All children will participate in this event. Transport will be with parents. Students must be at Wolumla for a 9:15am start, with the day concluding approximately 2:30pm. A permission note is attached.

Bournda EEC Waste Challenge

Four Stage 2 students have been selected to take on the waste challenge at Bournda on Wednesday 26th June. Please return notes and participation fee by Wednesday 19th June.

Premier's Sporting Challenge

Last week all students commenced the Premier's Sporting Challenge. The challenge goes for 10 weeks and students are tracking the amount of physical activity they do each day. This information is recorded on an online chart and participants will receive a certificate at the end of the year.

Parent Survey

Thank you to parents that have already returned the survey form. Could parents please complete outstanding survey forms and return them as soon as possible. Your cooperation in this matter is greatly appreciated.

SAKG Program

Every student looks forward to the activities encouraged by the Stephanie Alexander program. If you would like to join us in coming weeks please let us know. We meet every second Thursday from 12:00 till 1:30pm.

Thank You, Heather Bell—Relieving Principal

P&C News

Congratulations to Damian and Eva—winners of the Wood Raffle. Thank you to everyone that participated! Nearly \$300 was raised for the students of Wyndham Public School.

Earn and Learn

Woolworths Earn and Learn continues! Pop your stickers into the collection boxes in the school office or at Tura Beach and Merimbula Woolworths Grocery stores. All stickers will be redeemed for fabulous learning resources for all students.

If you have some free time—we already have a large number of stickers that need to be attached to sticker sheets.

Library News

Library continues with Jo, while Tracy enjoys a well earned holiday! Library day is Tuesday for K-2 and Wednesday Y3-6 this year. Children are able to borrow books during the last session of the day.

Library and Literacy Hub

The Library will be open at lunch time on Mondays and Tuesdays to assist our budding novelists and poets.

Students are invited to bring in their writing from home or the classroom. Tracy and Jo will be on hand to help with editing and publishing their work.

Class K-1-2 News

In recent weeks the K-2 students have been checking if they have green thumbs. We have been growing grass heads (grass seeds and soil in a stocking) for about 2 weeks. Isla was the student who guessed the closest time it would take for the seeds to sprout, it took 11 days and Isla guessed 10 days. AMAZING WORK ISLA! They have begun to sprout, with Dane's producing the most sprouts at the moment.

For the rest of the term, K-2 students will be focusing on writing Informative Texts. Last week, we wrote an autobiography, this week we will be focusing on biographies, information pieces on animals (Week 9) and a newspaper article (Week 10).

In Maths, we are learning about patterns and mass (Week 8), 2D and 3D shapes (Week 9) and probability (Week 10).

Mr Reeve.

Class 3-6 News

As we are almost midway through the year, students have been undergoing some assessment tasks in reading and mathematics over the last couple weeks. Assessing is always ongoing to ensure all students are growing in their learning. We have been looking at the results and discussing what learning they need to consolidate and what they need to learn next. We have been using this information to write our learning goals for reading and maths.

In Maths we will be focussing on learning our times tables up to 10x for Years 3—4, and 12x for Years 5-6. We are also looking at different strategies for problem solving.

Mrs Bell
