COVID Update

Planning for our end of year presentation and Year 6 Graduation is underway. In order to meet COVID guidelines we will be holding end of year presentation from 1:30pm to 3pm with one representative per family in attendance. Today you will receive an invite with and RSVP of who will be attending for your family. If you can return this as soon as possible it would be appreciated.

We will continue to keep you updated as information comes to hand.

“When educating the minds of youth, we must not forget to educate their hearts.”

Dali Lama

Kinder orientation, Sophie and Dancer Natalia and Popcorn

Science in action

Slip

Slop

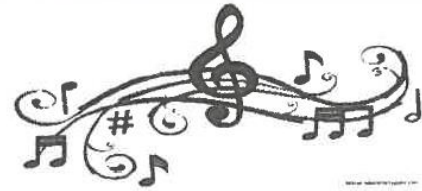

Slap

As the weather is warming up please remember to pack a water bottle and encourage your child to apply sunscreen before coming to school. If you need a new school hat please do not hesitate to call in and see Alan in the office

School Swimming

School swimming starts next week, please ensure that you have returned permission for your child to participate. We will be leaving school first thing, so students are asked to be in their swimmers with their uniform over the top.

Music with Bunny

Individual and duo tuition in piano, guitar and singing
