Mon 9 Oct

First Day of Term 4 - Students return to School

REMINDERS

- ✓ Mobile phone policy letter
- ✓ Please remember to bring your hat. The weather is really warming up.

Students are learning about what makes great compost for the vegie garden. Decomposition is nature's way of recycling. Dead plants and animals are broken down into basic nutrients that become part of the Earth. Decomposition happens when decomposers - such as worms, bacteria, and fungi - eat and digest plant and animal remains. Without decomposition, dead organisms would just pile up!

PRINCIPAL'S NOTE

Last week was SASS (School Administrative and Support Staff) Week, a special week to thank all of the amazing Support Staff that play such a vital role in the education of our children. Thank you Alan, Tracy, Grace and Marty for everything you do we are so fortunate to have a support team with such expertise and passion. I would also like to welcome Emily Stroud to the SASS General Assistant team, Emily and Marty's combined expertise is helping bring the vegetable garden up to its full potential!

It is with great excitement that I also announce the permanent appointment of Mr Clarke and Tracy to Wyndham Public School! This year the Department of Education has undertaken a initiative to transition eligible temporary staff to permanent roles. This is fantastic news for our small school to ensure the continued commitment to engaging and impactful teaching and learning programs!

Included along with this newsletter is a letter detailing our schools approach to the new mobile phone policy in schools that will take effect from the beginning of Term 4. Whilst this policy will have a minimal impact on the daily life in our school it is important to share the message that student mobile phones are to be handed into the office at the beginning of each day. Please let me know if you have any questions regarding this initiative.

Yours in Learning
Jo Collins

Tell Them From Me Survey

This Term, our school will be participating in the Partners in Learning parent survey, another part of the Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement. Please access the survey at the link below:

P&C NEWS

A huge thank you to the P & C for your generous support to our Stage 3 students excursion to Jindabyne Sport and Rec in November.

The Sifting Sooty

(reticular activating system, RAS)

WAKE ME UP BY

Noticing when you are distracted:
one thing you can touch, see, hear,
smell and taste.

Doing one thing at a time

Setting a goal with a good plan on
how to achieve it

Drawing a picture or taking a photo
that reminds you of what your
goal is
